

TIMBER

Self-declaration that the used timber meets the minimum pollutant requirements in BREEAM NORs 2016 checklist A20

This form must be filled out and signed by a legally responsible person for the building boards manufacturer, such as a technical director or a managing director. Chemicals to be avoided should not be present in the product in unbound, bound or natural form. Concentrations under the threshold value of 0.1% are accepted. It is assumed that the information in the A20 list is known.

Providing incorrect information can have legal consequences.
