

Requirements as per the latest updated version of BREEAM-NOR 6.0/6.1 which can be found on <https://byggalliansen.no/>.

Self-declaration that the named construction product complies with the emission level for indoor air quality in BREEAM-NOR 6.0/6.1 in accordance with Hea 02 performed on the object

MANUFACTURER:

PRODUCT TRADE NAME:

PRODUCT ID:

(In case of numerous,
use Appendix 1)

This form must be filled out and signed by a legally responsible person for the construction product manufacturer, if the product is within the given emission limits of the current standard.

The declaration applies to the following products:

Wood-based products (including wood flooring)

Flooring materials (including floor levelling compounds)

Ceiling, wall, and acoustic and thermal insulation materials

Interior adhesives and sealants (including flooring adhesives)

Documentation which can serve as basis for the self-declaration could be emission tests and/or test reports which prove that the product fulfills the standards, and the emission limits the manual requires. If in doubt, the manufacturer must consult with their own internal and external experts. Providing incorrect and deceptive information can have legal consequences. The filled-out form should be signed by a legally responsible person for the manufacturer.

It is confirmed that emissions from the product do not surpass the limit given in Table Hea 02-01

It is confirmed that emissions from the product do not surpass the limit given in Table Hea 02-02
